### Section 6: Release – You must sign and date this form to be eligible for health insurance.

Pursuant to federal rules that implement the Affordable Care Act, individual health insurance policies must be written on a calendar year basis beginning in 2015. Please be advised that all benefits and cost sharing under your policy, including the full annual deductible, apply to the partial year of coverage.

Any person who knowingly and with intent to defraud any insurance company or other person files an application for insurance or statement of claim containing any materially false information, or conceals for the purpose of misleading information concerning any fact material thereto, commits a fraudulent insurance act, which is a crime, and shall also be subject to a civil penalty not to exceed \$5,000 and the stated value of the claim for each such violation, I have thoroughly read, understand and agree to comply with the terms of the release on the back.
